

## JUSTICE: DO IT

**Helping others makes you smile!**

*Justice: Do It* is a service program designed for Middle School Youth in grades 6, 7 and 8. It involves an

evening of activities and training to prepare young people for a service experience. It also involves a full day of active service and processing of the experience. The goals of this program are to involve youth in a service experience, to introduce youth to Catholic Social Teaching and to develop an on-going relationship with a service organization.

This fall the Ozaukee County Catholic parishes are joining together to provide this great program to the youth in our communities! Youth who are **currently** in grades 6–8 are invited to participate in the program and youth who are currently in grades 9–12 are invited to develop their leadership skills as small group leaders. Adult supervision is also requested.
