ADULT PLEDGE OF COMMITMENT

- I have read the Teen Pledge. I support all the statements to which the teens are pledging.
- I will do my best to be at all meetings so that I can interact with the teen participants.
- I understand that if I have not already done so *I am required to attend a Safe Environment Education class and there will be a criminal background check completed on me.* I agree to comply with all the standards mandated by the United States Conference of Catholic Bishops regarding Safeguarding God's Family.
- I understand that I must communicate responsibilities and participation with the teens involved with our trips.
- I agree to support the Mission Trip as our young people take the leap of faith, to help serve our brothers and sisters locally and nationally.
- I will take an active role in supporting the Mission Trip by being a chaperone, helping with preparations for the trip as I am able (phone calling, clerical duties, planning a fundraising event, being the chaperone for a parish service project and other help with the trip as needed...)
- I will pray for all involved and for the success of all the trips.
- I will learn a home improvement skill if my skills are lacking.
