

# MISSION TRIP

Mission trips are opportunities for young people to live their faith, share faith stories with other young people from around the country, join together in worship, and reach out to those in need. A mission trip is an experience that changes lives.

- > Experience Christ in the faces of those you serve.
- > Learn that service is part of what it means to be a Catholic.
- > Receive more than you give.
- > Deepen your relationship with the Lord.
- > Be energized to reach out to those in need in the future.
